

For union use only

Date received: _____

Received by: _____

This form is being made available to the members in the shop here at Bombardier. The purpose of the form is to provide a way in which each member can help their union in making sure that the company honours our collective agreement.

Article 27 – Bargaining Unit Work, subsection 27.1 reads as follows:

“Supervisory personnel shall not perform work normally performed by members of the bargaining unit, except in the event of an emergency or for the purposes of instruction.”

If you see any supervisor performing work that you or your coworkers would normally do, please complete the following information and supply to your Local Chairman immediately. (please print)

Date _____ Time _____

Name of Supervisor performing work _____

Describe what work was being performed? _____

In what part of the workplace was this work being performed?

How much time did the Supervisor take to do the work? _____

Was the Supervisor instructing any member while performing the work? (circle)

YES NO

What worker classification would normally do the work ?

Signature of worker who completed this form _____

Signature of coworkers who witnessed the event _____

This information will be used to file grievances and will also be used in upcoming contract negotiations to improve our contract language.

This is our work, let’s keep it that way!
