**Notice #**

Please be advised there will be a complete Change of Assignment for all crews that will take effect @ 03:00 on Tuesday September 6, 2011.

There are many factors that are driving this change – including the abolishment of the Niagara Falls Service, along with the new fueling procedures in Aldershot. This has created many changes in the way the assignments are – so please read over them very carefully.

Copies of the Job Descriptions and a Job Bid package are available in the bull pen.

All Job Bid forms are due into the Crew Office no later than Wednesday, August 31 at noon.
