

To the Brothers and Sisters of Division 660;

Please accept my resignation from the position of Vice Local Chairmen effective on May 28<sup>th</sup> 2010. It has been an honor and privilege to work with you and to represent you during this time. Let me take this opportunity to remind you that the union is only as strong as its weakest member. During the upcoming negotiations with Bombardier remember to support your local and general committees. A united front will help your negotiating team during these difficult times. And above all else watch out for each other out there, working as a team brings one of the best rewards of all, coming home every night safely to your family and loved ones.

See ya on the trail:

Fraternally Yours
